Graduate Program (MA, PhD, etc.):

How many semesters have you been in your program?

Supervisor:

Project Details

- Describe your project and its fit with the CERi Graduate Research Fellowship Program (250 words max.).

- What are 2-3 ways that this project will meet a community interest/need (250 words max)?

- What are your 3-4 objectives you would like to achieve during this fellowship (250 words max)?

- Provide a brief timeline of your research activities over the course of the CERi fellowship (250 words max)?

- Do you currently have a community partner that you are working with? If yes, please list the organization here and their role in the project.

- Extensive experience or knowledge in CER is not a requirement for the fellowship but please describe your level or knowledge and/or past experience with CER if applicable:

Assignments and Attendance

Do you have the capacity to attend 1) One 2-hour fellowship workshops per month from September 2023 through April 2024, 2) One 1-hour monthly cohort check-in, and 3) complete 3-4 short assignments associated with the fellowship?

☐ Yes
☐ No
☐ Other—please specify:

Knowledge Mobilization

Where appropriate, applicants are encouraged to explore knowledge mobilization opportunities with CERi to disseminate the findings of your project to interested community members, students, SFU staff or faculty (e.g., brown bag discussion session, podcast interview, blog post on CERi website, etc.).

What form of knowledge mobilization are you interested in exploring in your fellowship? (check all that apply)

☐ Formal written report (intended for your community partner organization in some capacity)

☐ Public talk or webinar

☐ Photo essay

☐ Arts-based showcase of learning

☐ Blog Post (to be published on the CCP website)

☐ Other, please specify:

Additional Information

- Is there anything else you'd like us to know about this project?

- How can we improve the application process?

Application Checklist

☐   Application form

☐   Current Curriculum Vitae

☐   Expression of Support from Academic Supervisor

We strive to make the CERi fellowship as accessible to applicants as possible and so in lieu of a formal letter of support we are requesting an email from your supervisor answering the following questions:

1. Do you support your student, _____, in participating in the CERi fellowship program?
2. What are some key strengths of this student and/or connection points to community engaged research?
3. Are there any concerns you might have about this student's involvement in the fellowship program?
